The Westfalenpark (max. 25 persons)

The [Westfalenpark](#) is located at the southern edge of the city centre and is popular beyond the borders of Dortmund as well. The park is 70 hectares in size and one of the bigger parks in an urban area in Europe. It serves as a popular destination for recreation and excursion in Nordrhein-Westfalen. There is a rotating restaurant inside the TV tower. It is 220 meters tall and the residents of Dortmund lovingly call it „Florian“. You can even see the Münsterland as well as the Sauerland in good weather. The German rosarium, presenting up to 3000 different types of roses, offers the visitor a further attraction during the summer season. An excursion to the Westfalenpark and up to the Florian is a must for any nature lover.

BVB - Signal-Iduna-Park (max. 50 persons)

A look behind the scenes of the [biggest soccer stadium](#) in Germany is a unique experience for every visitor. With heart, passion, anecdotes and a lot of knowledge every visitor is guided through the stadium. You can feel the special atmosphere of the stadium in the catacombs and especially in the crew cabin of Borussia Dortmund. The walk through the player's tunnel to the sidelines and the view of the world's largest standing room, "The Yellow Wall" will round off the black-yellow tour. **Attention: This excursion is not suitable for guests with reduced mobility and walking difficulties!**

DASA (max. 50 persons)

The [DASA in Dortmund](#) presents the workplace of the past, future and present on a floor area of 13000 square meters.

It is an institution of the Federal Institute for Occupational Safety and Health and informs the public about the world of work, its importance for individuals and society, and the importance of human-oriented organization of work. More than 180000 people visit the DASA per year. The special highlight of the exhibition is the Airbus A320 flight simulator. An extraordinary and interesting exhibition that will inspire you.

Brewery museum (max. 25 persons)

The [Brewery museum](#) in Dortmund stands for a long and successful brewing tradition. In the 1950s and 1960s, Dortmund even rose to the beer capital of Europe. The brewery museum recalls this time. In an authentic place, impressions of the heyday of the beer city Dortmund are conveyed. The process of beer brewing is explained and visitors will learn about the history of the Dortmund breweries. The guided tour of the museum takes about an hour, afterwards a beer tasting with 4 glasses of Dortmunder beer (à 0.1 l) takes place. The tour ends with a brewery gift, the Dortmunder pest.

Variety of faiths at the Borsigplatz (max. 25 persons)

Immerse yourself in the world of faith at [Dortmunder Borsigplatz](#). A journey from the Occident to the Orient. The journey leads you through three churches: an evangelical church, a Russian Orthodox church and a mosque. In all places, parishioners explain the origin of the church. Stories of parallels and differences as

well as interreligious commonality are told. The journey ends with tea and pastries.

Backstage Airport-Security (max. 25 persons)

A very special airport-tour at the Dortmund airport.

The [Dortmund Regional Airport](#) has become the fourth largest airport in North Rhine-Westphalia. Nowadays destinations all over Europe are spoiled from Dortmund and about 2 million passengers are handled each year. Life at the airport is exciting. What, for example, does a suitcase experience? A look behind the scenes with expert guidance gives answers to many questions. The visit focusses on the [airport fire service](#) and the giant Panther. Luckily we will be close to „Christoph“, the helicopter of the Luftrettung Foundation and the police helicopter.
